MYSTERY ESCAPE FOR COMPANIES

We specialize in offering live escape room games, an entertainment alternative that has captivated the general public and a significant number of companies that have found escape rooms to be a perfect option for contributing to the development and strengthening of their work teams.

This has been made possible thanks to the features of our escape room. It is a game dynamic in which logic, communication, goal orientation, and teamwork are essential to achieve the final objective: to escape the room within a maximum time of 60 minutes.

A perfect option to contribute to the development and strengthening of your work teams.

WHAT DO WE OFFER?

Mystery Escape offers an exciting experience in which participants will have to combine logic, creativity, and cooperation to decipher puzzles that will allow them to achieve the goal of escaping within a maximum time of 60 minutes.

We have an unparalleled capacity to accommodate with 4 game rooms, 3 of which are identical, to host up to 26 players simultaneously, providing the same experience for up to 21 participants. This way, we can host events for large groups.

3 identical rooms for up to 21 players simultaneously.

OUR ADDED VALUE

- We are the only Escape Room in Barcelona with 3 identical rooms for up to 21 players.
- We can accommodate up to 26 people per session or 52 in 2 consecutive shifts in our 4 rooms.
- We are open from Monday to Sunday with 7 available time slots.
- We can offer the experience in 4 languages: Spanish, Catalan, English, or French.
- We provide the rental of a spacious meeting room just 150 meters away.
- Options for partial customization of the game experience and some areas of the facilities with corporate and/or promotional materials.

THE ADVANTAGES

- Build bonds of trust, commitment, and cooperation among team members.
- Sharpen the ability to react to pressure situations.
- Increase trust in the company and employee engagement.
- Improve time management and project planning strategies.
- Boost motivation, communication, and integration among participants.
- Help foster leadership and develop skills on how to manage it.

MONITORING CENTER

To provide you with an optimal view of your team's performance during the game session, we offer you or your management our Monitoring Center. This is a space where you can carry out a full observation of the game's dynamics.

Who is the natural leader of the group? Who contributes? Who detracts? How are tasks managed among team members? How do they organize their time? These are just some of the aspects that can be identified from our observation room.

For more details and access rates for the Monitoring Center, please contact one of our advisors.

THE BEST OPTION FOR YOUR COMPANY

If you're looking for an effective alternative for the development of your corporate events focused on team analysis, evaluation, and cohesion, at Mystery Escape we offer the most complete experience to ensure the success of your initiative.

To achieve this, we not only offer our incredible game sessions but also training, skill-building dynamics, and competency assessment with the support of expert professionals in talent management, with over 15 years of experience in the organizational field.

The most comprehensive experience for corporate events.

COMPETENCY ASSESSMENT

With the aim of providing you with the opportunity to assess specific competencies and identify strengths or areas for improvement among your team members, we offer a productive entertainment space where a thorough analysis can be conducted based on the performance of your employees during the game.

What competencies can be identified and assessed in an Escape Room?

- Analytical skills
- Strategic vision
- Leadership
- Communication
- Teamwork ability
- Adaptability
- Influence capacity
- Learning ability

SKILLS ANALYSIS AND EVALUATION TRAINING

At the end of the game, your team members can participate in a dynamic that goes beyond a coaching session.

At Mystery Escape, we offer a complete analysis and evaluation of skills, based on reflections about professional competencies and indicators observed during the game.

We apply a comprehensive methodology to work on concepts related to motivation, leadership, communication, teamwork, and self-awareness.

Training sessions are subsidized by the State Foundation for Employment Training (FUNDIAE).
